

# Aims

- to enhance the personal development and employability skills for students, emphasizing on careers and preparation for work with opportunities to link up with employers
- to provide young people with the pace and attention they need to learn skills, develop confidence, raise aspirations and improve their attitude to learning as well as to form a sense of ownership of their work and development
- to empower students in decision making and leadership skills
- to prepare students for progression into further education programmes or into the world of employment

## List of skills achieved:

- Career Planning
- Work Experience
- Project Based Learning
- Teamwork Skills
- Leadership Skills
- Digital Skills
- Undertaking an Enterprise Project
- Community Project
- Managing Money
- Well-being - Healthy Lifestyle
- Customer Service
- Personal Development
- Sustainability
- Presentation Skills
- Well-being - Physical Activity

# PTI Achieve:

- complements all other subjects in the vocational and applied route
- Achieve activities include teamwork, discussions, hands-on practical activities and outdoor activities
- Students have the choice to work towards different qualifications at different levels (MQF Level 1, MQF Level 2 and MQF Level 3). Achieve at MQF Level 3 (ordinary level) is a recognized qualification at MCAST and ITS
- There are no annual exams related to PTI Achieve and all work is assessed through a portfolio (or eportfolio) of evidence done in class throughout the scholastic year
- Students' evidence can be in various formats such as written and audio, digital, video and visual (in Maltese or English)
